GLORIA DEI PRESCHOOL PROGRAM

It is the purpose of Gloria Dei Preschool to provide each child with genuine care and love in a safe, nurturing environment. Each child will be recognized as a special individual and given the opportunity to grow socially, emotionally, physically and mentally. The children are encouraged and motivated to learn through hands on learning experiences. *School hours are from 10:00 a.m. to 2:00 p.m. with 10 children per class.* The small class size is designed to give each child more individual attention. Our hard working and dedicated staff continues to provide a curriculum that builds the whole child.

Gloria Dei Preschool is a PEANUT FREE school. We ask that you DO NOT PACK PEANUT BUTTER OR PEANUT PRODUCTS in your child's lunch or as a birthday treat.

Tours of the preschool are scheduled for the evening of Wednesday, Jan. 20th at 7:00 p.m. and the morning of Thursday January 21st at 10:30 a.m. Call the preschool office at 331-1739 if you wish to sign-up for a tour.

OLDER 4 YEAR OLDS Tues/Thurs or Wed/Fri

This program for the Older 4's offers greater challenges and more variety for the more mature 4 year old.

PRE-K CLASS Mon/Tues/Thurs or Mon/Wed/Fri

This class is for the child who may not be ready to go on the kindergarten or has a birth date that doesn't comply with the school district's requirements. The program offers some kindergarten readiness in its curriculum.

GLORIA DEI PRESCHOOL PROGRAMS

4'S MONDAY WHOLE LANGUAGE CLASS

This program is for the more *MATURE 4 year old*, one who can listen well, focus, and follow directions. This class offers creative activities focusing on the whole language approach by carrying out one main theme throughout various story activities by using learning games, math, reading readiness, small motor skills and art. *This sign up is separate from your 2 day 4's class. Please fill out the Whole Language form included in this packet if you wish to register for this class. Be sure to include it with your registration form for your other 4's class. There is a separate registration fee and supply fee as well for this class.*

Gloria Dei Programs:

Gloria Dei Preschool offers a diverse way to learn by rotating from classroom to classroom to different learning centers. All classes include the following:

Dramatic Play: This center allows the child a chance to act out life's experiences in settings that change weekly. Some examples: grocery store, pet store, fire station, pizza parlor, or bakery.

Story: Books, flannel stories, big books, and puppets are used to engage the children in the story while encouraging the use of their imagination.

Art: The children complete an art project, paint at the easel or play at the tactile table. The contents of the tactile table change daily. Examples: play dough and cookie cutters, shaving cream, water with boats or dishes, macaroni and cups, flour with sifters or scoops.

Science: Children participate in simple science experiments and anticipate the solution. The teacher and children then discuss the outcome.

Sensory Motor: Exercises are designed to help develop small and large muscle control.

Music: This center is an introduction to singing, rhythms, movements and musical instruments.

Free Play Center: Free play offers learning games, puzzles, and toys. The teacher will also take time to introduce learning themes.

4's Learning Themes: To learn and review numbers (including math and money recognition), the alphabet (including sounds and recognition), opposites, and shapes.

REQUIREMENTS FOR PRE-K CLASS

(IN THE ORDER STATED)

Who May Enter This Class?

- 1) A student who has gone through a 4's program at Gloria Dei but does not meet the age requirements to enter kindergarten, or may not be academically or emotionally ready to go to kindergarten, HAS FIRST PRIORITY.
- 2) A student outside of Gloria Dei, who has completed a 4's class elsewhere.
- 3) A student who is age 5, that has never been in preschool, that needs to be prepared to enter kindergarten the following year.
- 4) On rare occasion, a recommendation by a 3's teacher of an exceptional child (for example: emotionally and academically ready to be challenged further than a 4's class) may be considered by the director. The director's decision is final.

A WORD ABOUT CLASS SELECTION

We try to honor your requests for a certain teacher; however reasons we can not:

- a) The teacher has more than 10 requests
- b) The boy/girl ration is way off balance Ex: 8 boys, 2 girls

When we select the students for each class, we try to have:

- a) 5 boys/5 girls ratio
- b) Ages divided so a class doesn't end up with 1 or 2 older 3's or 4's and the rest young 3's or 4's
- c) Honor your requests

What happens to change a class ratio:

- a) 3's aren't potty trained and have to drop out of school. We then have to take the next child on the waiting list—boy or girl. This changes the original ratio of the class.
- b) A child drops because of a move or changes to another school.
- c) A parent needs to change the days the child was registered for originally. Again, this possibly could change the boy/girl ratio or age balance in a class.
